REGIONAL ANESTHESIA II LATAM

Expert Meeting

28th and 29th of June

Bogotá, Colombia.

REGIONAL ANESTHESIA II LATAM

Confirm your registration here

Broaden the professional scope of specialists, deepening their expertise in the entire spectrum of regional anesthesia and acute pain management. There will be the opportunity to exchange clinical knowledge with experienced regional anesthesia professionals, involving discussions and practicing various techniques, exploring comprehensive strategies for their application and evaluating their benefits and risks.

Speakers

DR. PAUL KESSLER, MD, PHD
MR. STEFAN HORN.

DRA. ANA LILIA GARDUÑO. MD.

DRA. ANGELA RIOS. MD.
DRA. MILENA MORENO. MD.

Organisation Details

- Around 32 participants from global & Latin America
- 28th -29th of June 2024
- Location: Bogotá, Colombia.
- Weather: Partly cloudy, we recommend wearing a jacket.
- Language's meeting will be in Spanish and we will have a translator for our English speakers.
